## This week at Sully PS.....

### We have been grateful!

Dear Parents

I would like to express my gratitude for all your help this week, particularly in keeping your children at home today, when some members of staff have been unable to work.

We look forward to seeing the children of keyworkers who have already contacted us to reserve a space for them. Please do not send your child if you have not already informed us that you will do so.

The school will contact parents via ParentPay to keep you updated. Please ensure that your contact details are up-to-date, particularly mobile phone numbers in case we need to communicate via text.

If the school is not open after the Easter Holiday, we will send more work home, and this could also be via ParentPay.

Please find attached a letter from staff to our pupils.

I hope that you and your families remain safe and well over the coming weeks and look forward to getting back to normal very soon.

With very best wishes

Mrs A Waddington (Acting Headteacher)

### Next week..

*If your child will be coming to school as both parents are keyworkers, they do not need to wear their school uniform but please can they bring their PE kit and trainers so that they can spend time outside.*

*All children coming in next week will be admitted and dismissed via the main entrance.*

### Choir date cancelled

*We regret that the choir will not be singing at Sully Church on Sunday as planned.*

### SCHOOL DATES FOR THE WEEK COMMENCING 19/03/2020

To all our wonderful pupils,

We wanted to write to you all to say how immensely proud we are of both your behaviour and attitude during this last week. School might have felt a bit different with some of you here and some of you working from home. You have listened and remained cheerful despite the new routines we have had to put in place. We wonder how many times the words 'happy birthday' have been sung in the past few days!

We are sure that your family has explained to you why school needs to be closed for most of you at the moment. We want you to know that everyone at Sully School is going to miss you but we are always here for each other. Our school is a special place where lifelong friendships and bonds are made. These friendships and relationships go far beyond the school gates and it is these bonds that will keep us happy.

It is important that you listen to your parents or carers and try to complete the home learning tasks we have set for you. However, it is also important for you to rest, play and have fun whilst staying safe.

To all of our Year 6s, we can only say what a pleasure you have been to teach. We know that you must be feeling disappointed that you may not get to experience the end of term that you had expected but we hope to celebrate your time at Sully Primary School when things return to normal.

We have always been open and honest with you. At this moment, we cannot say when we may return to school but I hope it will be soon. In the meantime, do what you always do – be kind, be helpful, be respectful and we look forward to seeing you as soon as we can.

Lots of love,

Sully School Staff
