

SULLY PRIMARY SCHOOL NEWSLETTER

19th June 2020

This week at Sully PS.....

We have been preparing!

Dear Parents and Carers

This week our staff have been working hard to get school ready for the return of our pupils.

The hub for the children of keyworkers will be returning to Sully from next Monday and we are looking forward to welcoming other pupils who wish to return from the following week, 29th June.

The videos that the teachers have made, showing how the school will be arranged, will be available on the class online platforms from Monday. We hope that these will reassure any children who may be nervous about their return to school!

In order to help us plan our groups we need to know whether or not you intend to send your child to school for weekly 'Check in' sessions. the school - thank you to everyone who has already completed our Return to School Survey.

If you have not yet completed it, then please follow this link and complete once for each child, as soon as possible:

<https://sites.google.com/hwbcymru.net/sullyschool-covid19>

I would like to thank you all once again for your support through this period, which has been very much appreciated by every member of our staff.

Mrs A Waddington (Acting Headteacher)

Do you know the symptoms of
Type 1 diabetes?

Toilet

Thirsty

Tired

Thinner

The NHS has asked for this message to be sent out to you.

Undiagnosed Type 1 diabetes in children requires urgent medical attention

The main symptoms of Type 1 diabetes are shown above. If you notice your child is thirsty OR using the toilet more frequently OR is always feeling tired OR has lost weight recently, please make an urgent GP appointment or contact the Out of Hours service

NHS services are very well equipped to look after children safely - please do not delay seeking medical advice because of Covid-19.
