

Sully School - FOUNDATION PHASE PLANNING- YEAR Nursery – WC 08/02/21

Four Purposes - EIC - are knowledgeable about their culture, community, society and the world

Languages, Literacy and Communication - Mathematics and Numeracy - Science and Technology - Humanities - Health and Well-Being - Expressive Arts

<p>Dydd Llun Monday</p>	<p>Literacy LO: To become aware of the sound 'i' Watch Mrs Thomas's video introducing the sound 'i'. Can you make a sound table with objects beginning with 'i'? NEW STARTERS - Can you make me a colour table? Can you find some objects that are the colour green? Numeracy LO: To use my experience of the counting sequence of numbers and of one-to-one correspondence to count sets reliably You can either print off the I-spy counting sheet or look at the sheet on the screen. Touch count the objects on the sheet which are associated with Chinese New Year. Please do not worry about your child writing the numbers. They can verbally tell you the number, you could write the number for them in yellow and they can overwrite it or if you have number cards they can point to the correct number. Topic LO: To find out about how Chinese New Year is celebrated Follow the link to cBeebies https://www.bbc.co.uk/cbeebies/watch/chinese-new-year. There are 2 clips to watch Preparing for Chinese New Year and Celebrating Chinese New Year. Tell a grown up what you have found out about Chinese New Year.</p>
<p>Dydd Mawrth Tuesday</p>	<p>LITERACY LO: To experiment with a range of mark making instruments Practise writing the letter 'i'. You can pour some salt onto a small plate and use a chopstick or finger to practise 'i'. You can use pens, pencils, crayons or chalks. If you go for a walk down to the beach you could practise writing an 'i' in the sand. Please can you practise writing your name. Trace over a grown-ups writing or try to copy the letters in your name. NEW STARTERS - Use a salt or sand tray to practise mark making with their finger. Or you could use shaving or shower foam on a tray or the shower door and practise mark making in the foam. It's messy but fun! NUMERACY LO: To show an interest in number formation Use the salt tray or foam to practise writing some numbers. I will attach a number formation sheet to practise. NEW STARTERS - Go on a shape hunt. Look for circles. What can you find that is a circle shape? TOPIC LO: To become aware of how the years were named after animals in the Chinese calendar Listen to Miss Western read the story of the Chinese zodiac. Who won the race? How did they win the race? Was that fair? Can you find out which animal year you were born in?</p>

<p>Dydd Mercher</p> <p>Wednesday</p>	<p>LITERACY</p> <p>LO: To make a greeting card to celebrate Chinese New Year</p> <p>It is going to be the Year of the Ox in the Chinese zodiac. Use card or paper to make your own Chinese New Year card. Fold the card or paper in half and draw a picture of an ox. I have included a template of a card design if you would prefer to colour in a card. Practise writing your name inside the card. Give your card to someone to say Happy Chinese New Year!</p> <p>NUMERACY</p> <p>LO: To recognise 1p coins</p> <p>At Chinese New Year the children receive red envelopes with money inside. Have you got some red paper or card? Can you make a red envelope, just fold the paper over and staple/sellotape/glue the sides. You will need some 1p coins. Mrs Thomas has found a good way of making some shiny coins. Mix $\frac{1}{4}$ cup of vinegar with 1 teaspoon of salt in a jar. Add some 1p coins into the jar. Watch what happens, the salt and vinegar cleans the coins and makes them shiny! Practise counting the coins into the envelope. Ask your grown-up to say a number and count that number of coins into the envelope.</p> <p>TOPIC</p> <p>LO: To become aware of where China is and some of its customs</p> <p>Watch the video on seesaw of Miss Western talking about when she lived in Taiwan. How did she get there? What did she do there? What was the weather like? Can you look in an atlas and find out where Wales is and where China is?</p>
<p>Dydd Iau</p> <p>Thursday</p>	<p>LITERACY</p> <p>LO: To follow a book read to them and respond appropriately</p> <p>Listen to Mrs Thomas read the story of Peppa Pig celebrating Chinese New Year. You can also watch it on youtube. https://m.youtube.com/watch?v=-4p9iTuNePo</p> <p>How does Peppa and her friends celebrate Chinese New Year? They helped to sweep away the old year and clean up ready for the new year. Can you do a cleaning job to help at home? You could tidy up your toys, make your bed or lay the table.</p> <p>NUMERACY</p> <p>LO: To correctly sequence numbers</p> <p>Follow the link to top marks maths</p> <p>https://www.topmarks.co.uk/ordering-and-sequencing/chinese-dragon-ordering</p> <p>Play the Chinese Dragon Game. Select ordering numbers. Start with 1-5 and if you feel it's appropriate try 1-10.</p> <p>TOPIC</p> <p>LO: To make a chinese lantern</p> <p>Follow the instructions on the sheet to make a chinese lantern. The sheet is on seesaw.</p>
<p>Dydd Gwener</p> <p>Friday</p>	<p>LITERACY</p> <p>LO: To experiment with newly learned vocabulary in Mandarin</p> <p>Watch the video on seesaw from our new mandarin teacher - Roxy.</p> <p>NUMERACY</p> <p>LO: To use the vocabulary long/short and longer than or shorter than</p> <p>Do you have some noodles? Please can you cook some noodles and let them cool down. Put the noodles on a tray (you can add some oil to the noodles so they do get sticky) and see if your child can find a long noodle and a short noodle. Can they use the vocabulary this noodle is longer than or shorter than this noodle? If you do not have noodles you could use spaghetti, pieces of string or wool cut up into different lengths. You could use playdough rolled into 'worms' of different lengths.</p> <p>TOPIC</p> <p>LO: To have the confidence and motivation to move in different ways</p> <p>Follow the link to Cosmic Kids yoga. Join in with Jamie and follow her instructions. It is about Cracker the Dragon of Wonder.</p> <p>https://m.youtube.com/watch?v=7NWzS2xziI4</p>
