

Sully School School Key Stage 2 2020 -2021

Languages, Literacy and Communication - Mathematics and Numeracy - Science and Technology - Humanities - Health and Well-Being - Expressive Arts

Aut/Sp/ Sum	Week beginning: 22/02/2021	Year Group: Year 3	Class Teacher: JE/JM
	Literacy	Numeracy	Topic
<p style="color: red;">Dydd Llun</p> <p>Monday</p>	<p>Guided Reading -Read 'Romans on the rampage' by Jeremy Strong chapter 12. See video recording.</p> <p>Literacy L.O. To use cursive handwriting. Please see below the Welsh poem. We would like you to rewrite the poem using our cursive handwriting script that we have been practising in school. Please see below the cursive handwriting tool if needed to help you. Make sure you take your time and do not rush the handwriting piece. This is an optional competition if you would like to enter your piece of work so please let myself or Miss Eaton if you do not wish to submit your work for the competition. Handwriting piece Cursive handwriting script</p>	<p>Subtraction L.O. To add 3 digit number using expanded addition First watch the video where Miss Eaton will go over the Powerpoint with you to explain what you need to do. It will go through how to use your place value skills to partition 3 digit numbers. It then shows you how to add two 3 digit numbers using a method called expanded addition. Y3 Week 8 Day 1 Powerpoint Maths 22.02.21 - Using expanded addition video There is an additional video below, explaining how to partition and use expanded addition if you choose to watch an extra demonstration to help you: Addition and subtraction: Written calculations: adding 3-digit numbers [CLIP]</p> <p>Then read the Learning Reminders on the link below to recap and choose an activity that you feel confident with. Y3 Week 8 Day 1.pdf Activities: Choose an activity from the link above. 1 chilli - Try the A Bit Stuck activity 'Split sums' on pages 9-12 of the link above 2 chilli - Try the Mild practise sheet from the link above and also the challenge at the bottom if you're feeling confident.</p>	<p>ART LO: To learn about a Welsh artist. As part of the Eisteddfod we will be looking at the Welsh artist Rhiannon Roberts. Rhiannon Roberts is a famous Welsh artist who is originally from a small village called Ciliau Aeron in West Wales but now lives in Cardiff Bay. As part of the Eisteddfod competition we thought that we would get inspired by the work of this famous Welsh artist. We have chosen Rhiannon Roberts because her paintings are full of colour and she paints pictures with a Welsh theme. The Art theme for Year 3 is 'Dragons' and so we would like you to look at some examples of Rhiannon Roberts' dragon paintings below on the powerpoint to hopefully inspire you and give you some ideas for your own dragon painting. Once you have finished creating your dragon painting make sure you upload your artwork onto google classroom or email it to your teacher so we can submit your work for the competition. Good luck! Rhiannon Roberts</p>

		<p>3 chilli - Try the Hot practise sheet from the link above and also the challenge at the bottom if you're feeling confident.</p> <p>There is an extra challenge if you are feeling confident on pages 4-5 of the link above - Investigation 'Expanded Elevens'.</p>

<p>Dydd Mawrth</p>	<p>Welsh lesson</p>	<p>L.O - To use expanded addition to add two 3 digit numbers</p>	<p>Eisteddfod competition options</p>
<p>Tuesday</p>	<p>L.O. To learn and recite a Welsh poem.</p> <p>For today's activity we would like you to watch the video of the poem 'My family and I- Fy Nheulu' below and recite the poem back using your best clear voices. Please see the video links below:</p> <p>Video 1- video link 1 Video 2- video link 2</p> <p>Please see the poem link below. Welsh poem</p> <p>Feel free to pause the video to practise saying the words aloud and if you want to challenge yourself then please try and learn the poem off by heart. When performing the poem you will need to use a clear voice, plenty of expression, good pronunciation and maybe some actions if you want to make it even better!</p> <p>When you have practised a few times and are happy with your performance, record yourself reciting the poem and upload the video as an attachment to this assignment so that we can judge the entries.</p> <p>Good luck Year 3!</p>	<p>First watch the video where Miss Eaton will introduce the start of the Learning Reminders with you to explain what you need to do. It will go through how to use partitioning and to expand each number and use the expanded addition method to add both numbers together to find the total.</p> <p>Y3 Week 8 Day 2.pdf Maths 23.02.21 Video</p> <p>Activities: Choose an activity from the link above.</p> <p>1 chilli - Try the A Bit Stuck activity 'Awesome adders' on pages 8-10 of the link above 2 chilli - Try the Mild practise sheet from the link above and also the challenge at the bottom if you're feeling confident. 3 chilli - Try the Hot practise sheet from the link above and also the challenge at the bottom if you're feeling confident.</p> <p>There is an extra challenge if you are feeling confident on page 11 of the link above - Check your understanding questions.</p>	<p>Dear Year 3!</p> <p>We are so excited to reveal your optional Eisteddfod activities! You have the chance to earn extra points for your house team by entering a minimum of one and a maximum of three of the following activities. Please watch the introduction video that will explain this year's competition format.</p> <p>Expressive Arts Competition</p> <ul style="list-style-type: none"> * Create a dance (any style). * Sing a song (any song). * Play a musical instrument (any piece) * Create a short drama sketch. * Create a 3D Dragon out of either recycled or natural materials. <p>Science & Technology:</p> <ul style="list-style-type: none"> * Bake a Welsh themed biscuit, cupcake or cake. * Create a Welsh-themed wooden spoon. * Create a short film or webpage about why you love Wales. <p>Maths & Numeracy:</p> <ul style="list-style-type: none"> * Create a Welsh themed board game.

<p>Dydd Mercher</p> <p>Wednesday</p>	<p>Guided Reading -Read 'Romans on the rampage' by Jeremy Strong chapter 13.</p> <p>See video recording.</p> <p>Literacy</p> <p>L.O. To read with expression and fluency.</p> <p>A book has been allocated on giglets for you to read. The book does not need to be completed by the end of the day as some of the books we will be setting will have a few chapters. Though, we do expect you to try and complete the book by the end of the week. Today we would like you to read 'The Turtle and the monkey'. The book has been assigned to you all. Feel free to put comments on the stream or comments when you submit that you have completed the book about how you found the book. Also feel free to answer any of the questions set on giglets.</p>	<p>L.O: To use expanded and compact addition to add 3 digit numbers</p> <p>First watch the video where Miss Eaton will go over the Powerpoint with you to explain what you need to do. It will go through how to use the expanded addition method and the compact addition method. We learnt the compact method in the autumn term - you may know it as column addition, so hopefully you'll remember how to use this method. But don't worry if you can't remember because the video and Powerpoint will explain it and show examples.</p> <p>Y3 Week 8 Day 3 Powerpoint Maths 24.02.21 Video</p> <p>Then read the Learning Reminders on the link below to recap and choose an activity that you feel confident with.</p> <p>Y3 Week 8 Day 3.pdf</p> <p>Activities:</p> <p>Choose an activity from the link above.</p> <p>1 chilli - Try the A Bit Stuck activity 'Collect 'em up!' on pages 9-12 of the link above</p> <p>2 chilli - Try the Mild practise sheet from the link above and also the challenge at the bottom if you're feeling confident.</p> <p>3 chilli - Try the Hot practise sheet from the link above and also the challenge at the bottom if you're feeling confident.</p> <p>There is an extra challenge if you are feeling confident on page 5 of the link above - Investigation 'Next door additions'.</p>	<p>Languages, Literacy & Communication</p> <p>* Welsh recitation competition - Years 3/4 to learn the poem 'Fy Nheulu i a fi' & Years 5/6 to learn the 'Dr Who' poem (*Double points alert!*)</p> <p>Health & Well-being</p> <p>* Create a fitness or PE skills-based video.</p> <p>* Plan and prepare a healthy Welsh meal.</p> <p>You have today, Wednesday afternoon and Thursday afternoon to complete your entries. Please submit all entries by Friday morning by attaching them to this assignment or emailing to your class teacher.</p>
--------------------------------------	---	---	--

<p>Dydd Iau Thursday</p>	<p>Literacy L.O. To write a set of instructions. Write a recipe for your favourite meal or create a new recipe for a meal/baking you have created previously. Please take a look at the powerpoint link below which goes through how to write a set of instructions. Instructions powerpoint. Please take a look at an example of a recipe: Welsh cake recipe. Don't forget the ingredients list and utensils list. Remember to use numbered bullet points for each step in the method section. Try to use different sentence starters for each new step.</p>	<p>L.O: To use compact/column addition to add 3 or 4 digit numbers Below are a selection of videos of ways to use the column method. One is the expanded method and one is the compact column method. Watch all the videos and decide which method you feel confident using. There is also a PowerPoint which you can use to follow the method of column addition, this includes both with carrying and without. Year 3 Column Addition Adding 3-digit numbers (no carrying) Column addition Adding three digit numbers with (carrying) https://youtu.be/zSABAQ-JL9A Activities: Choose a chilli challenge from the link below. Use your chosen method (expanded method or compact method) to answer the following chilli challenge questions. Begin with Mild, if you find this easy move onto Hot and then Flaming Hot. You need to complete at least 8 questions but if you can do more - that's even better! The more practise you get the better you will be at it. Column addition chilli challenges</p>	<p>Good luck! Remember that the Eisteddfod is all about teamwork. You will earn 5 points for your team for each entry (recitation = 10 points).</p> <p>Which team will win this year's Eisteddfod Cup? Will it be Marvellous Mynydd, Dynamic Dyffryn or Amazing Afon? Or will Ynys be victorious for a second year?</p> <p>May the best team win!!</p> <p>Pob lwc pawb!!</p>
<p>Dydd Gwener Friday</p>	<p>Literacy L.O. To uplevel my work. Read the sentences and spot the mistakes. Then write out the sentences correctly and check your work using the answers provided. You don't need to upload your work to Google Classroom, just write a comment when you</p>	<p>Big Maths Beat That L.O: To challenge myself and strive to improve Today you are going to have a go at the Big Maths Beat that challenge again! Remember you have 90 seconds to see how many sums you can complete on the sheet! Ask a grown up to help you mark your answers and give yourself a score. If you want to share your score you can put it on the chat under this</p>	<p>My day Friday L.O. To create a fact file. Happy my day Friday! Today we would like you to go at a minibeast hunt outside to see how many different minibeasts you can find. Once you have finished looking for the mini beasts we would like you to choose your favourite minibeast and create a fact file about the mini beast. In the fact file we would like you to include the minibeasts name,</p>

click 'mark as done' explaining what your score was. Each time, your goal is to try and beat your score from the previous Proof Points you completed.

assignment on Google Classroom or even share it on the Stream. But you don't have to share your scores, you can just keep them to yourself and try and beat your score next Friday!

[Big Maths Beat That 26.02.21](#)

For anyone who has achieved a score of 38 or more in 90 seconds, you can move to the next level of Big Maths! Below is the next level;

[Big Maths Beat That 26.02.21 HOT test](#)

You can also choose a chilli challenge for the times tables:

1 chilli - try the x2 table

[multiplication x 2.pdf](#)

2 chilli - try the x5 table

[multiplication x 5.pdf](#)

3 chilli - try the x3 table

[multiplication x3.pdf](#)

4 chilli - Try this times tables speed test

[Times tables speed test \(2, 3, 4, 5, 6, 9, 10\).doc](#)

For anyone who wants to practise their times tables, here is the link for Hit The Button:

[Hit the Button - Quick fire maths practice for 5-11 year olds](#)

appearance, habitat and diet. If you want to challenge yourself feel free to find out some further interesting facts. Make sure you include a picture of your minibeasts. It is your choice if you want to find a picture online or draw a picture yourself.
