

SULLY PTA HALLOWEEN TRAILS

Sully Primary School PTA brings you a safe replacement to traditional trick or treat. All proceeds go to Sully PTA Fundraising.

Although these activities are free to download, please (if you can) leave a donation for the PTA (suggested amount £3) using the Halloween Donation button on the Parent Pay App. If you would prefer to donate directly to the PTA Bank Account, our bank details are:

ACCOUNT NAME: SULLY SCHOOL PTA

SORT CODE: 20-18-27

ACCOUNT NUMBER: 4394 1124.

It's likely to be another "tricky" (Halloween pun totally intended!) year for PTA fundraising and we are overwhelmed by the support that our school community has given so far during these strange times. Thank you so much to everyone that has continued to donate to the PTA, we are incredibly grateful, and it really does mean a lot to our wonderful school.

There are two Trail Maps. The first, the Pumpkin Trail is for all ages. The second, the Spooky Trail, is more challenging and suitable for older children/families. It contains riddles and an anagram to solve. Each sign has a QR code with the next riddle on it.

Find the houses marked on the Pumpkin Trail Map and look for the letter to complete the Halloween sentence. You may start and finish the trail wherever you like. Remember to write each letter on the corresponding numbered pumpkin on the trail map.

Return to your completed Pumpkin Trail Map to your class teacher on Monday 1st November to be entered into a prize draw. All entries will be put in a hat and Mrs Waddington will draw 3 winning names during assembly that day.

Please adhere to the following important rules:

- Please supervise children at all times.
- Observe caution crossing roads, especially at night.
- Do not go onto the properties marked on the map, just look from the pavement.
- No trick or treating / knocking on doors at other properties please (until 31st October).
