

Sully School PTA – Easter Hunt

This traditional Easter egg Hunt trail is designed to need very little preparation, other than hiding the clues and treats. You will need the following items:

1. Printer (but if you don't have a printer, you can hand write the clues)
2. Scissors to cut out the individual clues
3. Treats to find along the way.
4. A prize for the end of the trail.

The adventure will last approximately 15 minutes, depending on how much help the child receives.

We hope the children enjoy their Easter Egg Hunt– please remember, if you can, to leave a donation for the PTA (suggested amount £3) using the Easter Hunt Donation button on the Parent Pay App. Every penny counts and will go towards much needed funds for the school, for what has been a very tough year for our usual PTA fundraising activities.

Easter Egg Hunt - Clue 1

This is your first clue, the hunt has now begun,
It's time to fill your basket and join in with the fun,
First you need to think "where would I find a shoe?"
Then check inside each one, and see what's there for you!

Easter Egg Hunt - Clue 2

Wow! What a great job you did of finding your first treat!
Now head to the living room where you would rest your feet.
Can you see the next surprise - beware it's hidden well,
Have a good hunt around, you'll find it... I can tell!

Easter Egg Hunt - Clue 3

Now to find your next one, in a room that has a bed.
Who sleeps in here? Quick off you go, it's time to get ahead.
Try looking in a wardrobe, or maybe in a drawer to find a treat
Have a good look and see - your clue is smelly feet!

Easter Egg Hunt - Clue 4

You're really doing well so far, what a lot of treats you've got.
Let's move on and try and find the next clue somewhere hot!
These might be in every room, but we only need one place,
Where you hang towels to dry when you've washed your face?

Easter Egg Hunt - Clue 5

This next clue will take you to a place where you eat your dinner.
Will it be too tricky to find or are you on to a winner?
You'll need to search high and low to find your next easter eggs,
An extra hint if you need, look under the thing with legs!

Easter Egg Hunt - Clue 6

You're an egg hunt champion, this I understand
You've found lots of treats so far, isn't that just grand!
To the kitchen next to find a place that's really, really chilly,
Don't hang about in here for long- that would be very silly!

Easter Egg Hunt - Clue 7

It's time for you to move along and find the next hiding spot,
This place is where you come and go and probably used a lot.
There's normally a number on it or sometimes a name at that,
If you're coming in, you'll need to wipe your feet upon the mat!

Easter Egg Hunt - Clue 8

It's now that time where I must give the final clue,
What a super job you've done - I'm really proud of you!
In the kitchen look all around to find your last surprise,
In the cupboard where you keep the food is your final prize!
