

SULLY PRIMARY SCHOOL NEWSLETTER

15/12/23

Dear Parents/Carers,

Our penultimate week of this term has certainly been a special one. Our Year 4, 5 and 6 pupils delivered an amazing Christmas performance titled 'Sully Panto Pandemonium'. This script was written by our very own and highly gifted Miss Pritchard (thank you Kate) and perfectly acted, danced and sung by all our older pupils. Boys and girls you were amazing and we were all very proud of the effort you put into this production.

Nursery also performed their first ever show, and we were so impressed by them – they were so confident performing in the big hall in front of an audience. There are some lovely pictures below!

We have been informed by one of our parents that there has been a lot of congestion on Minehead Avenue of late during drop off and collection and politely request you use the voluntary one-way system to avoid this. Please see the letter below.

Our last day of term for pupils will be Thursday 21st December with Friday 22nd being an INSET day for staff.

Straight after school on Tuesday 19th December the PTA are holding a Christmas Market Stall Event. We would like to invite all of our families to join the school community and grab yourselves a hot chocolate whilst chatting everything 'Christmassy' to your friends.

Wishing you a lovely weekend.

Andrea Waddington & Staff

Thank you for your generous donations for the "Santa's Cause" appeal.

We were overwhelmed by the number of gifts and had to make two trips to the Civic Offices!

Dates for your diary...

Dates added/amended this week are in **red**

SULLY SCHOOL

Dear Parents

Traffic Routes

Some time ago discussions were held with the police, the crossing patrol and local councillors about traffic problems outside the school both before and after school. It was decided to ask parents to operate a one-way system in an attempt to minimise the danger to the children.

Parents are asked to drive down Burnham Avenue towards the school, along Smithies Avenue and to turn then into either Weston Avenue or Clevedon Avenue before entering South Road. Neighbouring residents have also been asked to co-operate with this scheme from 8.45am until 9.15am and 3.15pm until 3.45pm.

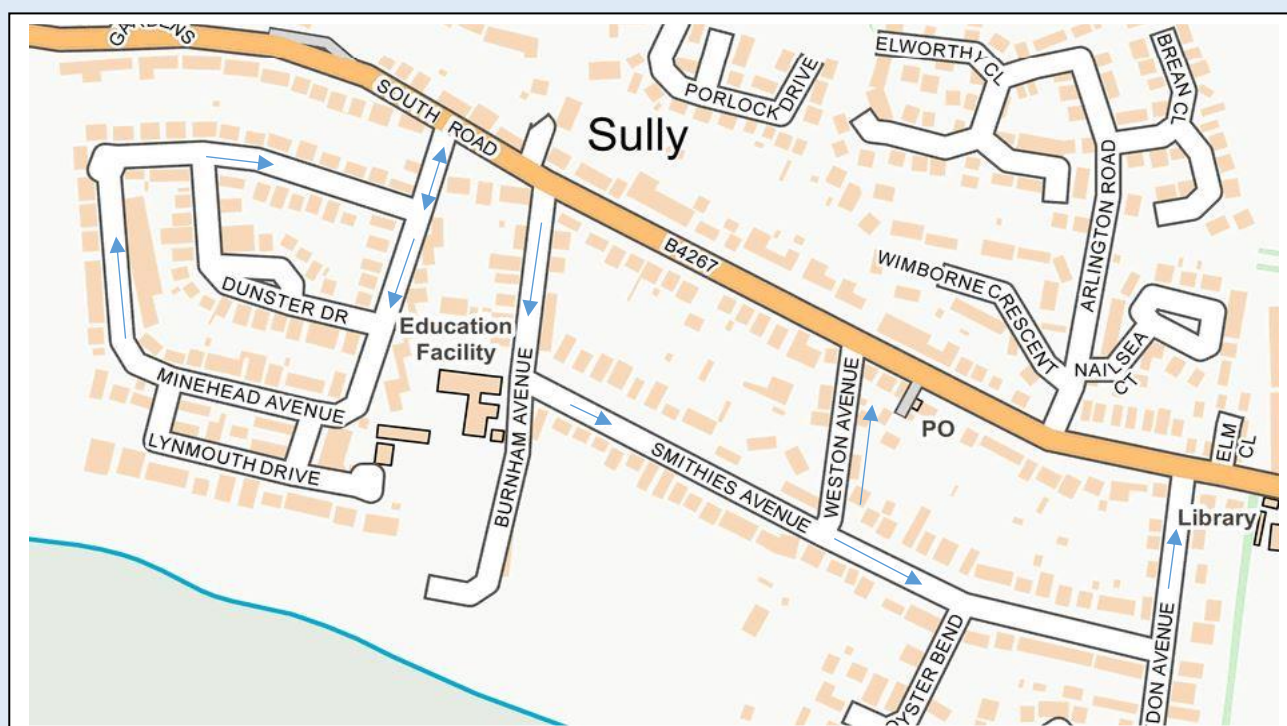

Complaints have been received from local residents who live in Smithies Avenue or Burnham Avenue regarding parents who park their cars across drives whilst bringing or collecting their children. Please ensure that you do not cause an obstruction.

In addition complaints have been received from residents in Minehead Avenue not only about parents who park across their drives and on the grass verge, but also expressing concern about drivers who put children's lives in danger by undertaking three-point turns in the road by the gate. It would be safer if parents continued around Minehead Avenue in a complete circuit.

Thank you for your co-operation in this matter.

Yours sincerely

Mrs A Waddington (Headteacher)

Highlights of this week...

Nursery gave a fantastic performance of 'Our First Nativity'! We were so proud of how well everyone sang and performed.

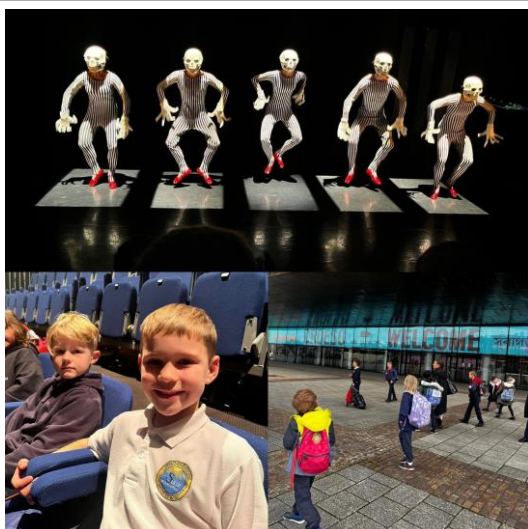

For Nursery to Y2, the highlight of the week has to be watching the amazing 'Treasure Island' courtesy of Chaplin's pantomimes. Everyone laughed, sang and even danced their way through, leaving the show with a big smile on their faces. A big thank you to Chaplin's Pantos for a fantastic show. 🤡 🎬

Our Christmas lunch on Thursday was absolutely delicious – thank you so much to all the kitchen staff, who worked so hard!

Year 3 had another highlight of the week - their captivating trip to The Dance House, Millennium Centre to watch a performance of Zoetrope. Thank you so much to National Dance Company Wales for having us. The children thoroughly enjoyed the show!

And of course, the highlights of the week for Years 4 to 6 were their performances of 'Sully Panto Pandemonium'. Pupils and staff worked so hard to produce this show, we hope that you all enjoyed it!
