

SULLY PRIMARY SCHOOL NEWSLETTER

12/01/24

Dear Parents/Carers,

A big welcome back to a very chilly Spring Term. I believe this cold spell is due to last for a period of time yet and as such it is nice to see pupils coming into school fully wrapped up against the cold. However, our lost property tubs are already filling up with gloves, hats and even coats and we would like to remind you of the need to label your child's clothing.

This week has seen many of our Year 6 pupils undertake their cycling proficiency. One of the volunteers helping deliver this programme, who also happens to be a school governor, took time out of their day to email the school with the following message:

'The children were SO good yesterday and I was SO pleased that they all passed Level 2! What a sensible and polite group they all are. I've definitely picked the right school to be a Governor of!'

I am sure you will agree when I say messages such as this make us all really proud. Da iawn Year 6!

This week also saw us welcoming a few new members to our Nursery. It is pleasing to see that all have settled in well and have been enjoying the provision on offer.

Plenty more activities have taken place throughout the week - please see below for details.

Wishing you all a lovely weekend.

Andrea Waddington & Staff

Attendance Matters!

Every Student, Every School, Every Day

Our whole school attendance
this week has been:

94.3%

Our target is:

95.1%

Please help us achieve our
target this term!

Dates for your diary...

Dates added/amended this week are in **red**

- **Tues 16/01/24 - Y6 RD to Fab Lab**
- **Wed 17/01/23 - Y6 to Museum**
- **Tues 23/01/24 - Y6 CDW to Fab Lab**
- **Y5 to Llangrannog - 8th - 10th April 2024**
- **Y6 to Abernant - 13th - 17th May 2024**
- **Y5 swimming - 10th - 14th June and 17th - 21st June 2024**

We would be very grateful for donations of navy jogging bottoms or leggings, particularly in smaller sizes. Please send them into school.

Can we also ask that clothes loaned to your child are returned to us.

Thank you!

Highlights of this week....

Nursery are delighted with their new kitchen! The children have been helping to lay the table, preparing their own snack and even washing up afterwards! The new kitchen was also put to good use to make biscuits. Lots of turn taking, weighing, stirring, mixing and predicting of what would happen to the biscuit dough! They smelled great and our food critics said they tasted yummy too!

Reception's highlight of the week was vegetable printing as part of the introduction to their new unit of inquiry, 'From field to fork'. Pupils explored different types of vegetables and created their own creative picture. 🥕 🥦 🍅 🍆

Year 1 also had a session with their Mandarin teacher, learning how to draw a Panda!

Year 1 loved their first lesson of
Mandarin! CN 🐱

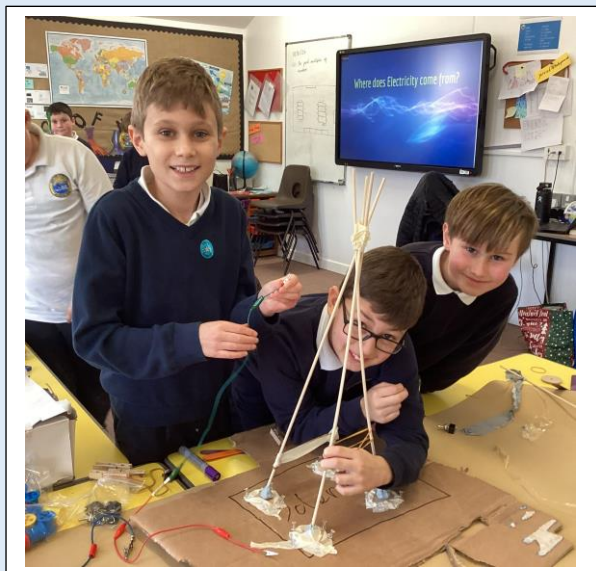

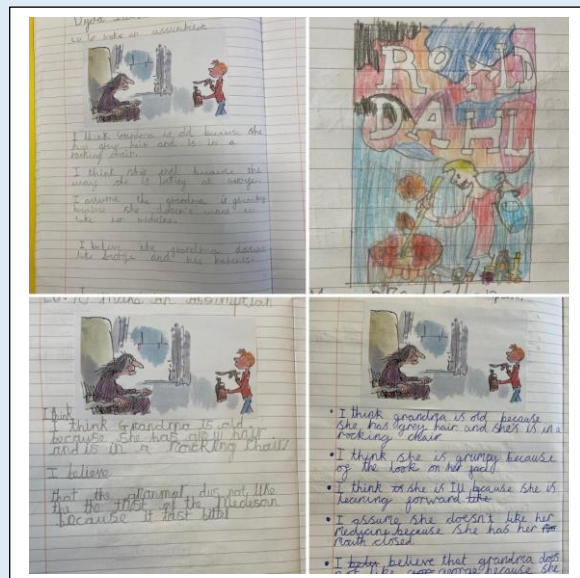

Year 1/2 RT have been
enjoying counting money
- coins and notes

Year 2 have been tuning into
their new inquiry question,
'Where does our food come
from?' They sorted foods and
created their perfect meal out of
art and craft materials.

Year 3, and the whole school, are super-happy to welcome Miss Eaton back!

Y4 have started to read their new class book - watch out for some 'marvellous' medicine!!

Year 5 took part in a loose parts play showing their understanding of where electricity comes from!

Year 6 loved their cycling proficiency lessons this week! Big thanks to Tony and our volunteers for making this possible and giving the children lifelong skills for staying safe on the road 🚲
